Purpose of the Policy and Procedures Manual

This manual is created as a guide for Executive, Volunteers and all Members of British Columbia Golf Zone 4 Women – a member-based organization governed by British Columbia Golf.

Role as Representatives of British Columbia Golf Zone 4 Women

It is imperative for Executives and Volunteers to recognize that their actions are a direct reflection on Zone 4 Women and should refrain from engaging in conduct detrimental to the organization. They should conduct themselves in a respectful, professional, and efficient manner; however, they do not have to tolerate abuse, such as loud and/or profane language.

They should avoid situations that might cause, or appear to cause, their personal interests to conflict with the interests of Zone 4 Women or to compromise its reputation for integrity.

The concept of "Teamwork" is essential to the success of British Columbia Golf.

Purpose of the Committee

The function of this Committee will be in accordance with the guidelines set out in the *Constitution and By-Laws of the British Columbia Golf Zone 4 Women's Committee*.

Our Zone Women's Committee is committed to fostering and developing the game of golf, promoting good sportsmanship and fair play through the management and organization of Zone tournaments, and providing a source of reference to all Zone 4 Club and Group Captains regarding Rules, Handicaps, Course Rating and Golf Canada and British Columbia Golf Junior Girl's Development and Women's programs.
