The Am/Sr Championships: The McCreedy Cup is awarded to the overall champion from across both zones in the 36-hole Amateur and Senior Tournament in May. Each zone also crowns its own champions and provides them with financial support to attend the Provincial amateur and senior events held the following month. Eligibility in the Championships is by handicap index and registration is limited to 60 participants.

The details for the provincials are posted already on BC Golf's Championship page:

The Partner Best Ball and the Fall Classic: These are fun events, with gross and net prizes. Registration is on a first come first served basis. Both events can accommodate up to 120 players. GreenTee (formerly Pagoda Ridge) is an excellent venue and they are offering a great buffet dinner following the round. We are thrilled to have secured Mayfair Lakes for the Fall Classic. The course is always extremely well maintained and the food is excellent.

Registration for all three tournaments is opening on March 1 to enable everyone to plan ahead.

Team schedules are posted on our Zone 4 website.

Zone 4 has a **Zoom** subscription which all clubs are welcome to use. Our webmaster and Team 2 Captain, Sherry Work, can send you the login instructions which you then email to your group. There is no time limit on this Zoom and they are all recorded. Email Sherry with your request: shwork@telus.net

I hope we all have a successful season in 2026! If you have any questions/concerns, please feel free to contact me.
